**EAT FOOD?**  
**COME TO THE FULL CIRCLE**  
**FOOD SYSTEM WORKSHOP**  
**SATURDAY JUNE 19**  
**3PM TO 5PM**  
**BERNICE GARDEN**  
**14th ST AND SOUTH MAIN**

**This workshop will address sustainable food systems from farm to compost pile, including sustainable production, distribution and consumption trends and why a sustainable food system is advantageous. The goal of the workshop is to explore challenges and opportunities leading to the development of sustainable food systems. Everyone is welcome to join the discussion.**
